

MEDIA ADVISORY

For Immediate Release: June 28, 2011

What: THE AMERICAN COUNCIL ON GLOBAL NUCLEAR COMPETITIVENESS AND APCO WORLDWIDE TO ANNOUNCE SURVEY RESULTS OF NUCLEAR ENERGY ATTITUDES OF U.S. POLICY ELITES.

The American Council on Global Nuclear Competitiveness and APCO Worldwide will hold a call announcing results of their recent survey to track the attitudes of the energy sector post-Fukushima. The respondents included individuals in federal regulatory agencies, Congressional staff, NGO specialists, energy lobbyists and thought leaders on energy policy.

Join us to hear discussions on the following questions and more:

- What energy sectors are emerging as priorities for U.S. elites?
- What are most effective messages driving the dialogue forward?
- What are perceptions on safety for different energy industries?

Who:

- Scott Campbell, President, American Council on Global Nuclear Competitiveness, Senior Public Policy advisor, Baker Donelson; Former Director, Office of Policy, Planning and Analysis, U.S. Department of Energy
- Mark Benson, President, APCO Insight

When: Thursday, June 30, 2011; 11:00 AM EST
